

McAfee Total Protection

Premium antivirus, identity, and privacy protection for your PCs, Macs, smartphones, and tablets¹—all in one subscription

With McAfee® Total Protection, count on a name you can trust to get the premium antivirus, identity and privacy protection you need for your PCs, Macs, smartphones, and tablets¹—now backed by our 100% guarantee. A McAfee expert will remove a virus, or your money back! Additional terms apply.²

Award-Winning Antivirus

Blocks viruses, malware, ransomware, spyware, unwanted programs, and more on your PC.

Anti-Spam

Blocks dangerous messages before they reach your inbox by removing emails that may include risky links and viruses.

True Key by McAfee

Recognizes your face or fingerprint, secures your passwords, and instantly logs you in to your websites and apps across your devices.

File Lock

Helps keep your personal files private by storing them on your PC with a combination of password protection and encryption.

Parental Controls

Block web sites and search results you don't want your kids to see and lets you set limits for how much time they spend online.

Free Customer Support

Has you covered by phone, by chat, or online for the life of your subscription.

Virus Protection Pledge

Provides you with the confidence that in the event your PC gets a virus, a McAfee expert will remotely access your computer to remove it. If we cannot, we will offer a refund. (This benefit requires enrollment in our auto-renewal service. Additional terms apply.²)

These useful tools are also included in your software subscription:

McAfee WebAdvisor

Warns you about risky websites and helps prevent dangerous downloads and phishing attacks. It provides search ratings, checks to see if your firewall and antivirus are activated, scans your downloads, and alerts you if there's a known threat.

McAfee Total Protection 5 or 10 Devices

Top Benefits of McAfee

Total Protection:

- Easy-to-use security defends against viruses, ransomware, and other online threats
- Safe web browsing warns you about risky websites and helps prevent dangerous downloads and phishing attacks
- Firewall security helps keep hackers and malware from attacking your PC by blocking access to suspicious activity
- Eliminate the hassle of passwords, and let the True Key app remember them for you
- File encryption keeps personal files private on your PC
- 100% guarantee: a McAfee expert will remove a virus, or your money back (additional terms apply)²

Internet Connection Required—No CD Needed

Your McAfee software is downloaded online to ensure you get our newest version.

DATA SHEET

Pick the version that's right for you

	McAfee AntiVirus	McAfee Internet Security	McAfee Total Protection	McAfee LiveSafe™
Defend against viruses and online threats	✓	✓	✓	✓
Steer clear of danger online with web safety tools	✓	✓	✓	✓
Remove junk mail before it reaches your inbox		✓	✓	✓

Manage your passwords with the True Key app		Individual (1 user)	Family (5 users)	Family (5 users)
Protect your privacy with secure storage			✓	
Back up your important files and photos				✓

McAfee Shredder™ Tool

Protects your identity and privacy by permanently deleting important files from your PC—ideal for tax documents, financial information, and other personal files.

McAfee QuickClean™ Tool

Helps keep your PC running smoothly by removing cookies and temporary files that track you online.

Vulnerability Scanner

Ensures your Windows software and other PC applications are up to date.

1. License applies to personal use on supported devices you own during your subscription; see system requirements for details. Some features require additional configuration and/or hardware. To find out if your device is supported, go to: www.mcafee.com/SystemRequirements
2. Virus Protection Pledge (VPP): To be eligible for VPP, you must be actively enrolled in our auto-renewal service with a qualifying product installed. If we cannot remove a virus from a device we support (see VPP System Requirements), we'll refund—for the current term of your subscription—the actual amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see terms of service for details), less any discounts, rebates, refunds, shipping, handling or taxes. The refund does not apply to any damage or loss caused by a virus—we strongly recommend that you always backup your data to prevent data loss. Refer to our terms of service for details: mcafee.com/pledge.
