

MCAFFEE CLOUD SERVICES AGREEMENT

McAfee (as defined below) and Company (as identified in the Grant Letter) agree to the terms of this Agreement (as defined below).

By accessing or using the Cloud Services, Company agrees to this Agreement on behalf of itself and its Users, and represents and warrants that Company has full authority to bind itself and its Users to this Agreement. If Company does not agree to this Agreement, Company may not access or use the Cloud Services, and Company must immediately notify McAfee to cancel the Cloud Services identified in the Grant Letter without accessing or using the Cloud Services. If Company is accepting this Agreement on behalf of another person or other legal entity, Company represents and warrants that Company has full authority to bind that person or legal entity to this Agreement.

Capitalized terms used in this Agreement have the meaning assigned to them in Section 15 or elsewhere in this Agreement. The interpretation clause in Section 15 sets out the rules of interpretation for this Agreement.

1. RIGHT OF USE AND RESTRICTIONS

- 1.1 **Right to Access and Use:** Subject to the terms of this Agreement, McAfee grants Company a non-exclusive, non-transferable, worldwide right to access and use the Cloud Services described in the Grant Letter during the applicable Subscription Period solely for Company's internal business purposes. Use of the Cloud Services depends on the types of subscriptions purchased (e.g. Users) and is subject to the Product Entitlement definitions on the applicable date of Company's Grant Letter. Company must have an active subscription to the Cloud Services, or have an active Support agreement for the Cloud Services, as applicable, to continue to receive access to the Cloud Services. User-based subscriptions may not be shared or used by more than one individual User but may be reassigned to new Users who are replacing former Users that have been terminated or otherwise no longer use the Cloud Services.
- 1.2 **Affiliates:** Company may permit its Affiliates to use the Cloud Services in accordance with this Agreement, provided that each Affiliate agrees in writing to be bound by this Agreement, and Company is responsible and fully liable for each Affiliate's compliance with and breach of this Agreement.
- 1.3 **Access Software:** If McAfee provides Software to Company to access the Cloud Services, Company must access the Cloud Software with that Software. Such Software is provided to Company subject to the EULA, which applies with respect to any Software. Any conflict or inconsistency between the EULA and this Agreement will be resolved in favor of the EULA if it relates to Software, and this Agreement if it relates to Cloud Services or other matters.
- 1.4 **Managing Parties:** If Company enters into a contract for a third party to manage Company's information technology resources (**Managing Party**), Company may authorize the Managing Party to use the Cloud Services on Company's behalf, provided that:
 - (a) the Managing Party only uses the Cloud Services for Company's internal business operations;
 - (b) the Managing Party agrees in writing to be bound by this Agreement;
 - (c) Company provides McAfee with written notice that a Managing Party will be using the Cloud Services on Company's behalf; and
 - (d) Company remains responsible for all use of the Cloud Services by the Managing Party.
- 1.5 **Restrictions:** Company will not and will not allow third parties to:
 - (a) license, sublicense, access, use, sell, resell, transfer, assign, distribute, or otherwise commercially exploit or make the Cloud Services available to any third party;
 - (b) modify, decompile, reverse engineer or copy the Cloud Services, or any of their components;
 - (c) access or use the Cloud Services to build or support any products or services competitive with the Cloud Services;
 - (d) use the Cloud Services to conduct fraudulent activities;
 - (e) attempt to gain unauthorized access to the Cloud Services, engage in any denial of service attacks, or otherwise cause immediate, material or ongoing harm to McAfee, its provision of the Cloud Services, or to others;
 - (f) impersonate or misrepresent an affiliation with a person or entity;
 - (g) access or use the Cloud Services for monitoring the availability, security, performance, functionality, or for any other benchmarking or competitive purposes without McAfee's express written permission;
 - (h) falsely identify itself or provide any false information to establish any account that will be used to gain access to and/or use of the McAfee Products;
 - (i) use the Cloud Services to initiate or propagate Malware;
 - (j) use the Cloud Services as an HTTP server that allows third-party relay or proxy of web traffic; or
 - (k) use the Cloud Services in a manner that violates applicable law or regulation, infringes on the rights of any person or entity, or violates this Agreement.

Each of (a) to (k) is a **Prohibited Use**. A Prohibited Use is a material breach of this Agreement in McAfee's sole discretion.

- 1.6 **Right to Use Company Data**
 - (a) Company grants McAfee a non-exclusive, royalty-free license to access and use the Company Data as necessary during the Subscription Period:
 - (i) for McAfee to provide the Cloud Services and Support to Company during the Subscription Period; and
 - (ii) for administering this Agreement, including assuring that the right number of subscriptions and/or user accounts have been issued.
 - (b) Company grants McAfee a non-exclusive, perpetual right and license to use, reproduce and disclose product, support, or services-related information, Company Data (excluding Personal Data and Company Confidential Information) and material that is aggregated, anonymized, de-identified, or otherwise rendered not reasonably associated or linked to an identifiable individual or to Company for product improvement (including content synchronization, device tracking, troubleshooting), internal research to enhance McAfee's understanding of Malware, threats, and vulnerabilities (including detecting and reporting threats and vulnerabilities on Company's and Users' computer endpoints and networks) to improve overall security for users generally and in accordance with McAfee's Privacy

Policy available at <https://www.mcafee.com/us/about/legal/privacy.aspx>. This includes compiling statistical and performance information related to the provision and operation of the Cloud Services and making such information publicly available. McAfee retains all rights in such aggregated and anonymous data.

2. COMPANY OBLIGATIONS

2.1 **Company Access:** Company is responsible for all activity occurring under Company's Cloud Services and Support accounts. Company will provide McAfee with all information and assistance required to supply the Cloud Services or enable Company's use of the Cloud Services. Company will immediately notify McAfee of any unauthorized account use or other suspected security breach, or unauthorized use, copying or distribution of Cloud Services, Documentation or Company Data.

2.2 Company Data

- (a) Company represents and warrants that it:
 - (i) has the legal rights and applicable consents to provide Company Data to McAfee;
 - (ii) has provided any required notices and has obtained any consents and/or authorizations (including any required from Users) related to its use of the McAfee Products and McAfee's processing of Company Data (including any Personal Data); and
 - (iii) will comply with all applicable laws for collecting, processing, and transferring Company Data to McAfee.
- (b) Company has sole responsibility for the accuracy, quality, integrity, legality, reliability and appropriateness of all Company Data. The Cloud Services rely on Company Data as supplied by Company, and McAfee is not liable for the content of Company Data. Except as required under applicable law, McAfee does not assume any duty or obligation to correct or modify Company Data. Except as provided in this Agreement, Company retains all right, title and interest in and to Company Data.

2.3 **System Administrator:** As needed, Company will provide McAfee contact information for Company's system administrator, who is authorized to provide the information required to configure and manage the Cloud Services (System Administrator). Depending on the Cloud Services purchased, McAfee may provide Company with a confidential access code to the administration tool, which may only be accessed by the System Administrator.

2.4 **Updated Information:** Company must provide current and complete Users' information as necessary for McAfee to manage Company's account.

3. TECHNICAL SUPPORT SERVICE

McAfee will provide Support to Company in accordance with the applicable Service Schedule. The Support terms may be updated from time to time, however McAfee will not materially reduce the level of performance, functionality, or availability of the Support during the Subscription Period.

4. DATA PRIVACY AND PROTECTION

- 4.1 As Company Data may originate from various jurisdictions and as McAfee would be unaware of those jurisdictions in the provision of the McAfee Products, Company is solely responsible for ensuring that the parties enter into any necessary additional agreements as required by applicable data protection laws. To the extent Company Data includes Personal Data of residents of the European Economic Area (the EEA), McAfee's processing of such data will comply with the applicable version of the McAfee Data Processing Agreement (DPA) (including if requested the Standard Contractual Clauses for the Transfer of Personal Data to Processors Established in Third Countries approved by EC Commission Decision of 5 February 2010) found on McAfee's website, if requested by Company and executed by the parties. Upon execution, the DPA is incorporated herein by reference. In the event of any conflict between the terms of the DPA and this Agreement, the Documentation, or McAfee's Privacy Policy, the terms of the DPA will take precedence insofar as the Personal Data of residents of the EEA is concerned.
- 4.2 McAfee will comply with McAfee's Privacy Policy and the applicable technical and organizational measures set forth in the Documentation and the DPA.
- 4.3 Without prejudice to Sections 4.1 and 4.2 above, Company is responsible for: (a) any security vulnerabilities, and the consequences of such vulnerabilities, arising from Company Data, including any Malware contained in the Company Data, and (b) Company's and its Users' use of the McAfee Product in a manner that is inconsistent with this Agreement.
- 4.4 To the extent Company discloses or transmits Company Data to a third party, McAfee is no longer responsible for the security, integrity or confidentiality of such content outside of McAfee's control.

5. TERM; TERMINATION; SUBSCRIPTION PERIODS

5.1 **Term:** This Agreement will continue until terminated in accordance with this Agreement.

5.2 **Termination for Cause.** Either party may terminate this Agreement immediately for cause if:

- (a) the other party breaches this Agreement and has failed to remedy a remediable breach within thirty (30) days of receipt of a notice from the first party specifying the breach and requiring it to be remedied, or if the breach is incapable of remedy;
- (b) the other party or its property is subject to insolvency or receivership procedures;
- (c) the other party becomes insolvent or unable to pay its debts as they mature;
- (d) the other party makes an assignment for the benefit of creditors; or
- (e) the other party becomes the subject of any other proceeding under any bankruptcy, insolvency or debtor's relief law.

5.3 **End-of-Life:** Company's right to access and use the Cloud Services, and any features of the Cloud Services, are subject to the End-of-Life Policy <https://www.mcafee.com/us/resources/misc/support-policy-product-support-eol.pdf>. Upon the End-of-Life date of a Cloud Service or any feature of a Cloud Service (as described in the End-of-Life Policy), Company's right to access and use the applicable Cloud Service or feature will terminate.

5.4 **Suspension or Termination of Cloud Service by McAfee:** McAfee may suspend or terminate the Cloud Services:

- (a) immediately if McAfee considers it necessary to prevent or terminate any actual or suspected Prohibited Use; or
- (b) upon notice to Company if:
 - (i) Company commits a material breach of this Agreement;
 - (ii) McAfee receives notice from Authorized Partner that Company is in material breach of the Agreement (including Company's

- Agreement with Authorized Partner);
- (iii) McAfee reasonably determines that the volume of data being transmitted or processed through the Cloud Services under Company's account is significantly greater than the average use or may cause degradation of the Cloud Services for Company or other customers; or
- (iv) there is a threat to the security and integrity of the hosted environment or Company Data.

Suspension or termination of Cloud Services by McAfee will be without prejudice to any rights or liabilities accruing before or during the suspension, including Company's obligation to pay fees.

- 5.5 **Termination Obligations.** After termination of a Subscription Period for a particular Cloud Service, Company agrees that McAfee has no obligation to retain Company Data for that Cloud Service, which may be permanently deleted as part of McAfee's record and information management and in accordance with applicable laws. If any Company Data is stored by the Cloud Service, Company is solely responsible for retrieving that Company Data.

6 PAYMENTS; TAXES; AUDIT

- 6.1 **Payments:** Unless Company is purchasing the Cloud Services through an Authorized Partner, in which case payment obligations will be exclusively between the Authorized Partner and Company, Company will pay McAfee the fees for the McAfee Product within thirty (30) days of the invoice date. Late payments are subject to interest of one and one-half percent (1.5%) per month or the highest rate permitted by law, whichever is lower. All payment obligations are non-cancelable and non-refundable. If Company considers an invoice is incorrect, Company must contact McAfee in writing within thirty (30) days of the date of invoice to request an adjustment or credit.
- 6.2 **Transaction Taxes:** If Company purchases the Cloud Services directly from McAfee for use or resale, Company will pay all applicable transaction taxes, including sales and use taxes, value added taxes, duties, customs, tariffs, and other government-imposed transactional charges however designated (and any related interest or penalty) on amounts payable by Company under this Agreement (**Transaction Taxes**). McAfee will separately state on its invoices the Transaction Taxes that McAfee is required to collect from Company under applicable law. Company will provide proof of any exemption from Transaction Taxes to McAfee at least fifteen (15) Business Days before the due date for paying an invoice. If McAfee does not collect the required Transaction Taxes from Company but is subsequently required to remit the Transaction Taxes to any taxing authority, Company will promptly reimburse McAfee for the Transaction Taxes, including any accrued penalty or interest charges if the failure to timely collect and remit was not due to the fault of McAfee.
- 6.3 **Withholding Taxes:** All payments due from Company will be made free and clear and without deduction for any present and future taxes imposed by any taxing authority. If Company is required by applicable law to deduct or withhold income taxes from amounts payable to McAfee under this Agreement (**Withholding Taxes**), Company will remit, and provide McAfee with evidence that Company has remitted, the Withholding Taxes to the appropriate taxing authority and pay to McAfee the remaining net amount. Company will provide written notice to McAfee of its intent to withhold (including details of the amounts and legal basis for Withholding Taxes) at least fifteen (15) Business Days before the due date for any payments under this Agreement and will cooperate with McAfee to reduce any Withholding Taxes. If McAfee provides Company with valid and official documentation issued by the relevant taxing authority for a lower rate of Withholding Taxes, then Company will apply the lower rate.
- 6.4 If Company purchases the Cloud Services through an Authorized Partner, the obligations regarding Transaction Taxes or Withholding Taxes will be the exclusive responsibility of the Authorized Partner or Company, and the rules in Section 6.2 and 6.3 do not apply as between McAfee and Company.
- 6.5 **Income Taxes:** Each party is responsible for its own income taxes or taxes based on gross revenues or gross receipts.
- 6.6 **Audit:** McAfee may request, and Company must provide within thirty (30) days from the request date, a system-generated report verifying Company's access to and use of the Cloud Services (**System Report**). Company acknowledges that the System Report is based on technological features in the Cloud Services to verify access and use verification (including User counts). If the Cloud Services do not contain technological features that provide use verification, Company will provide to McAfee an accurate Cloud Services access and use verification report for the Cloud Services within thirty (30) days from McAfee's request. McAfee will only request the System Report (or Company's prepared Cloud Services access and use verification report) once per year and will not unreasonably interfere with the conduct of Company's business. If a System Report or Company's prepared Cloud Services access and use verification report identifies that Company is out of compliance with this Agreement, Company will be required to purchase the additional subscriptions and pay any fees associated with the subscriptions and/or Support. McAfee may also charge an out-of-compliance fee.

7 CONFIDENTIALITY

- 7.1 Each party acknowledges that it may have access to Confidential Information of the other party in connection with this Agreement, and that each party's Confidential Information is of substantial value to the Disclosing Party, which could be impaired if it were improperly disclosed to third parties or used in violation of this Agreement.
- 7.2 Each Recipient of Confidential Information under this Agreement must:
- (a) keep the Disclosing Party's Confidential Information confidential and protect it at least to the same extent it protects its own Confidential Information and to the same extent that a reasonable person would protect such Confidential Information;
 - (b) not use the Disclosing Party's Confidential Information in any way for its own account or the account of any third party except to perform its duties, exercise its rights or is otherwise authorized under this Agreement; and
 - (c) not disclose the Disclosing Party's Confidential Information except to perform its duties or exercise its rights under this Agreement or as otherwise authorized under this Agreement, provided that:
 - (i) any disclosure made to the Recipient's employees, contractors or agents is on a need-to-know basis; and
 - (ii) the Recipient's employees, contractors or agents in receipt of the Confidential Information are under an obligation of confidentiality no less stringent than that set forth in this section.
- 7.3 Notwithstanding the restrictions in Section 7.2, if the Recipient is required to disclose any of the Disclosing Party's Confidential Information by law, such as in response to a subpoena or requirement of any court, arbitral, administrative, or legislative body, the Recipient must:

- (a) where reasonably possible and permitted, immediately provide written notice to the Disclosing Party of the required disclosure to give the Disclosing Party an opportunity to move for a protective order or otherwise prevent the disclosure;
 - (b) disclose only the minimum amount of Confidential Information required to satisfy the legal obligation; and
 - (c) assert and take proper steps with the body requiring disclosure to maintain the confidentiality of the Confidential Information to be disclosed.
- 7.4 Company will immediately notify McAfee if Confidential Information of McAfee is used or disclosed in breach of this Agreement. As monetary damages may not be sufficient relief if anyone violates or threaten to violate the terms of this section, McAfee is immediately entitled to enforce its rights by specific performance or injunction proceedings, in addition to any other rights or remedies it may have.
- 7.5 Upon the Disclosing Party's request and upon termination of this Agreement (unless agreed otherwise by the parties at the time), each party will return, destroy or delete permanently (at the Disclosing Party's election) the other party's Confidential Information.
- 7.6 On termination of this Agreement, the Recipient must continue to keep the Disclosing Party's Confidential Information confidential for five (5) years in accordance with this section.
- 7.7 **Feedback:** Company agrees that McAfee has the unrestricted right to use suggestions and feedback provided by Company regarding the Cloud Services and other products and services of McAfee and its Affiliates, without notice to, payment to or consent from Company, and that such suggestions and feedback will be the Confidential Information of McAfee, and not Company.

8 INTELLECTUAL PROPERTY RIGHTS

- 8.1 **Ownership:** The McAfee Products, Documentation and the software underlying the Cloud Services are strictly confidential to McAfee. McAfee (or its licensors) own exclusively and reserve all right, title and interest in and to the McAfee Products, Documentation and the software underlying the Cloud Services, including all related Intellectual Property Rights as well as any Derivative Works. Company agrees, on behalf of itself and its Affiliates, that Company and its Affiliates will take no action inconsistent with McAfee's Intellectual Property Rights.
- 8.2 **Reserved Rights:** Company may not exercise any right, title and interest in and to the McAfee Products, Documentation, the software underlying the Cloud Services or any related Intellectual Property Rights, except for the limited access and usage rights granted to Company in this Agreement. This Agreement is not an agreement of sale, and this Agreement does not transfer any title, Intellectual Property Rights or ownership rights to the McAfee Products, Documentation, or the software underlying the Cloud Services to Company. Company acknowledges and agrees that the McAfee Products, Documentation, and the software underlying the Cloud Services, and all ideas, methods, algorithms, formulae, processes, and concepts used in developing or incorporated into the foregoing, and all other improvements, revisions, corrections, modifications, enhancements, releases, detection definition files (or DATs, also referred to as signature files, being the code anti-malware software uses to detect and repair viruses, Trojan horses and potentially unwanted programs), signature sets, content, and other updates in, of, or to the Cloud Services or the software underlying the Cloud Services, all Derivative Works based on any of the foregoing, and all copies of the foregoing are trade secrets and reserved to and proprietary property of McAfee, having great commercial value to McAfee.

9 WARRANTIES; EXCLUSIONS; DISCLAIMERS

- 9.1 **Warranty.** McAfee warrants that during the Subscription Period, the Cloud Services will perform substantially in accordance with the associated Documentation. Company's sole and exclusive remedy for McAfee's breach of the foregoing warranty is, at McAfee's option, the repair or replacement of the Cloud Service, or for McAfee to provide a credit for the period in which the Cloud Service did not materially comply. This warranty is conditioned upon Company providing McAfee prompt written notice of the Cloud Services' non-conformance and using the Cloud Service as provided in this Agreement.
- 9.2 **Disclaimer of Warranties.** EXCEPT AS EXPRESSLY STATED IN THIS SECTION, TO THE EXTENT ALLOWED BY APPLICABLE LAW, MCAFEE EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY, CONDITION OR OTHER IMPLIED TERM AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT. NO DATA TRANSMISSION OVER THE INTERNET CAN BE GUARANTEED TO BE SECURE. MCAFEE DISCLAIMS ANY RESPONSIBILITY OR LIABILITY FOR ANY INTERCEPTION OR INTERRUPTION OF ANY COMMUNICATIONS THROUGH THE INTERNET, NETWORKS, OR SYSTEMS OUTSIDE MCAFEE'S CONTROL. COMPANY IS RESPONSIBLE FOR MAINTAINING THE SECURITY OF ITS NETWORKS, SERVERS, APPLICATIONS AND ACCESS CODES. CLOUD SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS. MCAFEE IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, LOSS OF COMPANY DATA OR DAMAGES RESULTING FROM THOSE PROBLEMS. COMPANY WILL NOT MAKE ANY REPRESENTATION OR OTHER STATEMENT OR UNDERTAKE ANY ACT OR OMISSION INCONSISTENT WITH THIS SECTION.
- 9.3 **High Risk Systems Terms:** THE MCAFEE PRODUCTS MAY FAIL AND ARE NOT DESIGNED, DEVELOPED, TESTED, OR INTENDED TO BE RELIABLE IN THE CONTEXT OF HIGH RISK SYSTEMS. - 9.4 **Third Parties:** The McAfee Products may contain independent third-party products and rely on them to perform certain functionality, including

malware definitions or URL filters and algorithms. McAfee makes no warranty as to the operation of any third-party products or the accuracy of any third-party information.

10 LIMITATION OF LIABILITY. EACH PARTY'S ENTIRE AGGREGATE LIABILITY, TO THE OTHER PARTY FOR CLAIMS UNDER OR RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT WILL NOT EXCEED THE TOTAL PAYMENTS PAID OR PAYABLE BY COMPANY TO MCAFEE UNDER THIS AGREEMENT IN THE SIX (6) MONTHS PRIOR TO THE CLAIM. NEITHER PARTY WILL BE LIABLE FOR ANY CONSEQUENTIAL DAMAGES IN CONNECTION WITH THIS AGREEMENT, EVEN IF THE DAMAGES WERE FORESEEABLE OR A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF THOSE DAMAGES. THIS LIMITATION OF LIABILITY APPLIES WHETHER SUCH CLAIMS ARISE UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY, STATUTE OR OTHERWISE. NOTHING IN THIS AGREEMENT LIMITS OR EXCLUDES ANY LIABILITY WHICH CANNOT BE LIMITED OR EXCLUDED UNDER APPLICABLE LAW.

11 INDEMNIFICATION

11.1 **Company Indemnification Obligations.** Company will unconditionally indemnify, and defend McAfee, its Affiliates, and their officers, directors, employees, contractors and agents (each a **McAfee Indemnified Party**) against any claims, liabilities and expenses (including court costs and reasonable attorneys' fees) that a McAfee Indemnified Party incurs as a result of or in connection with:

- (a) any third-party claims arising from:
 - (i) Company Data, including without limitation Company's failure to follow applicable laws or obtain all necessary consents related to Company Data;
 - (ii) Company's use of the Cloud Services in a manner not expressly permitted by this Agreement;
 - (iii) McAfee's compliance with any technology, designs, instructions or requirements provided by Company or a third party on Company's behalf;
 - (iv) any claims, costs, damages and liabilities whatsoever asserted by any Company Representative; or
 - (v) any violation by Company of applicable laws or regulations; and
- (b) any reasonable costs and attorneys' fees required for McAfee to respond to a subpoena, court order or other official government inquiry regarding Company Data or Company's use of the Cloud Services.

11.2 **McAfee Indemnification Obligations.**

- (a) McAfee will indemnify Company and, at McAfee's election, defend Company against a third-party claim asserted against Company in a suit or action if the claim is for direct patent infringement, for direct copyright infringement, or for McAfee's trade secret misappropriation and the claim is asserted against the Cloud Services alone and not in combination with anything else, or solely a combination of the Cloud Services.
- (b) **Exclusions.** Notwithstanding anything to the contrary in this Agreement, McAfee will not indemnify or defend Company for claims asserted, in whole or in part, against or resulting from:
 - (i) Company's breach of this Agreement;
 - (ii) technology, designs, instructions or requirements provided by Company or a third party on Company's behalf;
 - (iii) modifications to the Cloud Services or use of the Cloud Services outside the scope of the applicable Documentation;
 - (iv) use of non-current or unsupported versions of the Cloud Services;
 - (v) Company Data;
 - (vi) Services Company provides using or based upon the Cloud Services; or

 - (i) procure Company with the right to continue using the Cloud Service;
 - (ii) replace or modify the Cloud Service or the software underlying the Cloud Service so it is non-infringing; or
 - (iii) upon Company's removal of the Software and Company's access to the Cloud Services from Company's systems, refund the value of the purchase price Company paid for the infringing Cloud Services.

11.3 **Indemnification Procedure.** The indemnified party (**Indemnitee**) will (a) provide prompt written notice to the indemnifying party (**Indemnitor**) of the claim (provided that the failure to provide timely notice that prejudices the Indemnitor will relieve the Indemnitor of its obligations under this section to the extent the Indemnitor has been prejudiced and the failure to provide timely notice will relieve the Indemnitor of any obligation to reimburse the other party for its attorney's fees incurred prior to notification), (b) reasonably cooperate in connection with the defense or settlement of the claim, and (c) give the Indemnitor sole control over the defense and settlement of the claim, provided however that any settlement of a claim will not include a specific performance obligation or admission of liability by the Indemnitee.

11.4 **Personal and Exclusive Indemnity:** The foregoing indemnities are personal to the parties and may not be transferred to anyone. This Section 11 states the parties' entire indemnification obligations and Company's exclusive remedy for claims involving infringement of Intellectual Property Rights.

12 EVALUATION PRODUCTS AND FREE SERVICES

12.1 **Generally:** If Company requests an evaluation of Cloud Services (**Evaluation Product**) or Free Services, the provisions of this section will apply and prevail over any other conflicting terms of this Agreement. Company's use of an Evaluation Product is limited to thirty (30) days (**Evaluation Period**) unless agreed otherwise in writing by McAfee. During the Evaluation Period, Company may access and use the Evaluation Products solely for Company's internal evaluation to decide whether to purchase the right to use the Evaluation Products.

12.2 **No Support Obligation:** McAfee has no obligation to provide any Support for Evaluation Products or Free Services. Company acknowledges that the Evaluation Products and Free Services may contain errors, defects or other problems that could cause system or other failures, security breaches, interruptions and data loss.

12.3 **Disclaimer of Warranties**

- (a) McAfee's indemnification obligations under Section 11 do not apply to Evaluation Products and Free Services. Evaluation Products and Free Services are provided to Company solely on an "as is" basis. To the extent permitted by law, McAfee makes no other warranties

of any kind, express or implied, with respect to the Evaluation Products and Free Services and disclaims all other obligations and liabilities, or express and implied warranties regarding the Evaluation Products and Free Services, including quality, conformity to any representation or description, performance, merchantability, fitness for a particular purpose, non-infringement; or that the Evaluation Products and Free Services will be free from errors or defects. Company assumes all risk of use of Evaluation Products and Free Services. If the laws in Company's jurisdiction do not allow the exclusion of express or implied warranties, the disclaimer in this section may not apply and the express or implied warranties will be limited in duration to any minimum period required by applicable law, and the aggregate liability of McAfee and licensors will be limited to the sum of fifty (50) United States dollars (or the then-current value in the relevant local currency) in total.

- (b) Company acknowledges that McAfee:
 - (i) has not promised or guaranteed to Company that Free Services will be announced or made available to anyone in the future;
 - (ii) has no express or implied obligation to Company to announce or introduce Free Services; and

- 13.2 Company will not, directly or indirectly, export, transmit, permit access or use any Cloud Services or technical data (or any part of Cloud Services or technical data) or system or service incorporating any Cloud Services to or in any country to which export, transmission or access is restricted by regulation, statute, or other law, without the authorization, if required, of the Bureau of Industry and Security of the U.S. Department of Commerce or any other governmental entity that may have jurisdiction over export or transmission. Company will not use, transfer or access any Cloud Services for end use relating to any nuclear, chemical or biological weapons, or missile technology unless authorized by the U.S. Government by regulation or specific license.
- 13.3 Company acknowledges and agrees that certain McAfee Products containing encryption may require authorization from the U.S. and other applicable authorities including the European Union, prior to export. Company also acknowledges and agrees that certain McAfee Products containing encryption may be subject to import or use restrictions in other countries. Additional information regarding exporting and importing McAfee Products may be found on McAfee's "Export Compliance" webpage (www.mcafee.com/us/about/export-compliance.aspx), as updated from time to time.
- 13.4 If McAfee receives notice that Company is or becomes identified as a sanctioned or restricted party under applicable law, McAfee will not be obligated to perform any of its obligations under this Agreement if such performance would result in violation of the sanctions or restrictions.

14 GENERAL PROVISIONS

- 14.1 **Relationship:** The parties are independent contractors under this Agreement and expressly disclaim any partnership, franchise, joint venture, agency, employer/employee, fiduciary or other special relationship. Neither party intends this Agreement to benefit, or create any right or cause of action in or on behalf of, any person or entity other than the parties and listed Affiliates. The Agreement is not intended to create a third-party beneficiary of any kind. Company must not represent to any third party that it has any right to bind McAfee in any manner and Company will not to make any representations or warranties on behalf of McAfee.
