## Instructions to play McAfee's Tweet-to-Win contest, please complete both tasks below

### Task 1:

Watch the full duration of **at least 2** of the 5 demo videos and tweet the answer to the corresponding questions/fill in the blank and add @McAfee and #RSAC in your tweet.

- **Demo 1 Question:** You can get ahead of the adversary with @McAfee's MVISION \_\_\_\_\_. #RSAC  
*Example/Answer: You can get ahead of the adversary with @McAfee's MVISION Insights. #RSAC*  
[\\*Click to tweet\\*](#)
- **Demo 2 Question:** In April 2020, @McAfee maintained 99.999% availability and low latency, even when \_\_\_\_\_ usage surged to 240%. #RSAC  
[\\*Click to tweet](#) (reminder to fill in the blank) \*
- **Demo 3 Question:** During #RSAC, I learned that @McAfee's CASB solution has been a leader in the Gartner Magic Quadrant for \_\_\_\_\_ since its inception.  
[\\*Click to tweet](#) (reminder to fill in the blank) \*
- **Demo 4 Question:** @McAfee MVISION \_\_\_\_ delivers unified visibility and control across your cyber infrastructure and more. #RSAC  
[\\*Click to tweet](#) (reminder to fill in the blank) \*
- **Demo 5 Question:** McAfee's MVISION \_\_\_\_\_ is comprehensive, automated, and frictionless. #RSAC  
[\\*Click to tweet](#) (reminder to fill in the blank) \*
